

To: Division of Reclamation Mining, State of Colorado State University
From: Gary Wockner, Colorado Program Director, Clean Water Action

Dear Mr. Berry,

As per the Administrative Procedures Act requirements, Clean Water Action requests that the name, address, and phone number for all of the 1,500 letters previously sent to Governor Ritter and the DRMS in the summer of 2009 relating to the rulemaking for the uranium mining regulations be now submitted under one name (as the point of contact):

Gary Wockner
Colorado Program Director
1630 S. College. Ave.
Fort Collins, CO 80525
970-221-0148

Please incorporate these letters into your formal rulemaking record.

Thank you!

A handwritten signature in black ink that reads "Gary Wockner".
