Prospector: _____ Notice of Intent No.: _____
Address: _____ Project Name: _____
_____ County: _____
_____ Date: _____

This report is filed in accordance with Rule 2.02.6(3)(a) of the Regulations of the Colorado Mined Land Reclamation Board for Coal Mining, adopted in accordance with the Colorado Surface Coal Mining Act, C.R.S. 34-33-101 *et seq.* The purpose of this report is to update the Division on exploration and reclamation activities that have occurred in the past 180 days of active prospecting. The report also indicates any changes in operations from what was stated in the original Notice of Intent sent to the Division. The Operator may use this form, modify this form, or use a different format altogether.

1. Attach a map that shows:
 - a) Which proposed holes have been drilled at the date,
 - b) Any actual or proposed relocations of holes,
 - c) The extent of all significant road construction completed to date (exclude minor blade work), and
 - d) Current location of all drill rigs and test equipment.
2. Describe what and where reclamation activities have occurred in the past 180 days. Mention sealing and plugging, regrading, retopsoiling and reseeding activities. (Attach additional pages, if needed.)

3. List any additional changes to the original prospecting and reclamation plan or any unexpected problems (such as unexpected water or artesian conditions encountered). (Attach additional pages, if needed.)

4. When do you expect to complete all exploration and reclamation activities for this project?

5. Does the prospector wish this report to be considered confidential? See Rule 2.02.7(2). _____ If yes, attach a justification for the request.
