112c Permit Application Amendment; Decision Date Extension Request Approval**

Mr. Langenfeld,

The Division of Reclamation, Mining and Safety (Division/DRMS) received and approved the request for a 60 day extension to the decision date for the Douglas Mountain Mine 112c permit application amendment.

The new decision date is March 29, 2019.

The Applicant's request to extend the decision date nullifies the automatically approval provision in Rule 1.9.1.
