

Jack Starner Memorial Reclamation Award – 2018

***Colorado Stone, & Sand Gravel Association
Colorado Mined Land Reclamation Board
Colorado Division of Reclamation, Mining and Safety***

The Colorado Mined Land Reclamation Board is accepting nominations for the **Jack Starner Memorial Reclamation Award**. The award is sponsored by the Colorado Mined Land Reclamation Board honoring outstanding reclamation of **aggregate/construction material** operations and furthers the collection and dissemination of information about successful reclamation techniques.

The award honors the memory of Jack Starner who served on the Mined Land Reclamation Board and provided valuable guidance to the industry, local government, and the environmental community in mined land reclamation. The awards will be presented at the Colorado Stone, Sand & Gravel Association Annual Meeting on Friday, November 16th, 2018 at the Broadmoor Hotel in Colorado Springs.

THE JUDGES

Department of Natural Resources Staff will evaluate nominations, and awards will be given for the most outstanding reclamation achievement and exceptional efforts in preserving and/or enhancing the environment.

HOW TO ENTER

Entries should be submitted to the Colorado Division of Reclamation, Mining and Safety, 1313 Sherman St., Room 215, Denver, Colorado, 80203, 303.866.3567 ext- 8150, Attn: Russ Means (russ.means@state.co.us)

WHAT TO SUBMIT

Nominations must include a narrative description of the reclamation performed at the site, as well as a sufficient number of photos to characterize the entry. The description should emphasize the reclamation aspects, which qualify the site as being "outstanding", i.e., implementation of new technologies or techniques, environmental enhancement, wildlife preservation, water augmentation, preserving historic mining resources, etc. Photos of the winning entries will be used at the Awards Presentation and will be retained by the Division as a record of entries.
